Please list the specific committee(s) for which you are applying: Library board

Work and/or business experience related to the committee(s): I served for 12 yrs at East Morgan County Library in Brush, Colo. as a trustee. I resigned when we moved up here 1 yr ago.

Education, license, certification, & experience: High Schools ol

Community involvement, activities, service organizations: Have been a Girl Scout and Boy Scout leader. Served in my church in several ways over the last 40 yrs.

Additional information/qualifications relevant for the committee or committees to which you are applying: I was in the board of the Colorado library and really enjoyed making a difference. Education is enhance by using a library. You have a beautiful library here and I have used it a lot since moving here.

The library the I worked with was independent entity. It would be a little different being on a board where the library is city owned. But I am sure it is about the same but in a bigger volume. While on the board in Colorado, we put on a 1 million dollar addition with owing any money when finished. It was done with donations, grants and taxes. Also before I left we approved the remodeling and improving the Carnegie part. I am proud of the work I helped to make it a pleasant place for everyone. If you need a reference you can call Laura McCaully at East Morgan Library at Brush, Colorado. She is the head librarian. Phone number 1-970-842-4596
