STAFF REPORT

October 24, 2002

No. 02AN010 - Petition for Annexation

ITEM 3

GENERAL COMMENTS: The process for annexation by petition is provided for under Section 9-4-1 SDCL, which states that by resolution, the City may annex a contiguous area, if the written petition describing the boundaries of the area is signed by no less than three-fourths of the registered voters and by owners of no less than three-fourths of the value of the area to be annexed. The owner's signatures are on the petition; however, the signatures of the registered voters have not yet been obtained. **As of October 16, 2002, the required signatures of the registered voters have not yet been obtained.**

STAFF REVIEW: This property is located south of S.D. Highway 44 East and South Valley Drive. The property is currently zoned Suburban Residential District by Pennington County. West of the subject property the land is zoned Suburban Residential Zoning District by Pennington County. Land east of the subject property is located in General Commercial and General Agriculture Zoning Districts. Land north of the subject property is located in General Agriculture Zoning District and Light Industrial with a Planned Light Industrial Development Zoning District. Land south of the subject property is zoned General Agriculture Zoning district in the City and Limited Agriculture Zoning District by Pennington County. The annexation area includes several rights-of-way and the City's property, which includes a life estate residence and undeveloped property. The Southeast Connector is located within the annexation area.

The annexation area is presently located in the Rapid Valley Fire Protection District. Under SDCL 31-31A-35 a municipality is obligated to compensate rural fire districts when annexation diminishes their tax base. Lowell Heinrich, President of the Rapid Valley Volunteer Fire District, has indicated that there is an outstanding capital improvement loan requiring reimbursement. Staff has contacted the Rapid Valley Fire District for a determination of the necessary reimbursement. The Rapid Valley Fire District has determined the dollar amount due is approximately \$553.55. Payment will be made following City Council approval.

Staff has not received any adverse comments regarding the requested annexation and as such finds this area appropriate for annexation.
