

Counts of the Cobblestone

**P.O. Box 488
Rapid City, SD 57709**

DATE: NOVEMBER 13, 2003
TO: RAPID CITY COUNCIL MEMBERS
FROM: COUNTS OF THE COBBLESTONE CAR CLUB

The Counts of the Cobblestone Car Club is a non-profit car club established in 1957. Its purpose is to promote community awareness and involvement through an interest in custom and unique automobiles.

The Counts are planning to raffle a 350 High Performance Chevy Engine, valued at \$3,000. The raffle will be drawn during their annual car event held at the Civic Center on February 15, 2004. Raffle tickets will be sold throughout the following months for this event.

With the sale of this raffle it is our goal to increase the amount of charity donations that The Counts of the Cobblestone has had the pleasure to do over the last four years. During last year's car event The Counts were able to give \$6,000 to various local charity organizations (\$2,000 – KOTA Care and Share, \$1,000 – Hill City Boys and Girls Club, \$1,000 – Corner Stone Mission, \$1,000 – Soaring Eagle, \$1,000 – Rapid City Police Cadets). It has only been four short years since this small car club took over the full responsibility of this annual car event and with this events continued growth the club hopes to given even more back to the communities.

The Counts of the Cobblestone Car Club is requesting your permission to sell raffle tickets within the Rapid City area. We thank you in advance for your consideration of this request.

Respectfully,

Randy Romey

Chairman

Counts Car Show Event
