FROM: Lisa Seaman, GIS Coordinator

DATE: November 19, 2003

RE: Amendment to Price List for Road Map Books

The GIS Division has completed the publication of road map books for the Pennington County and Rapid City area and is requesting that the City Council adopt a price schedule for the various map book products. The map books are available in a variety of hard copy formats; color or black and white, ledger (11"x17") or letter (8.5"x11"), countywide or Rapid City area wide. In addition, the map book has been published in a PDF format for use with Adobe Acrobat software.

The adopted GIS Information Policy requires that GIS products be sold for private use at standard rates set to cover the cost of reproduction. The map book reproduction costs include printing, binding and lamination of front and back covers. Staff contacted three printing companies and requested quotes for printing the road map books. The pricing schedule listed below is based on the prices provided.
