

**Black Hills State University  
History 240 – Intro to Public History**

**McGillycuddy House**

**Project Statement**

The instructor and students in History 240 at Black Hills State University have adopted the McGillycuddy House in Rapid City as a class project. Before the end of the spring semester in early May, the class will:

- ♦ Research the life and times of Valentine McGillycuddy.
- ♦ Research the history and use of the McGillycuddy House on South Street in Rapid City.
- ♦ Work with a qualified architect to determine the methods and materials of original construction and develop rough plans for reconstruction.
- ♦ Host a community forum with Mayor Hanks on March 21, 2010 at 3pm to discuss reconstruction and use of the McGillycuddy House.
- ♦ Prepare a final report outlining the history of the house and summarizing community input from the forum.
