

Trex Artisan Series Railing®

Customize Artisan with the contemporary look of glass paneling.

A TIMELESS LOOK WITH INFINITE VARIATIONS.

Complete your new Trex® deck with the classic elegance of Trex Artisan Series Railing®. The look of painted wood beautifully complements any traditional architecture. And with our new modular construction, the system now lets you mix and match colors and styles from Trex Designer Series Railing®.

Trex Artisan Series Railing is comprised of Fibrex® material. Fibrex® is a trademark of, and is used by Trex under a license with, Andersen Corporation.

Trex Artisan Series Railing features:

- An elegant, classic look
- Modular construction offering unprecedented design flexibility
- A strong, sturdy look and feel
- No vibrating, squeaking or rattling, like vinyl railings
- Quick and easy assembly
- A price that delivers an exceptional value

Trex Artisan Series Railing color:

CLASSIC WHITE

Our innovative TrexExpress™ Assembly System makes installation a breeze.
