HERITAGE[®] 50/30

LAMINATED ASPHALT SHINGLES

BRING OUT YOUR BEST WITH THE BEAUTY OF HERITAGE.[®]

Nothing expresses your style as a homeowner more vividly than the American Heritage Series of laminated asphalt shingles by TAMKO.[®] Heritage[®] 50 and Heritage 30 shingles feature a rich Shadowtone granule blend that creates the elegant, dimensional appearance of wood shakes, without the high cost or safety concerns. All Heritage shingles are also UL listed for Class A Fire Resistance and come with our Algae Relief–Algae Cleaning limited warranty.¹

Extensive color options help you create the right look.

Heritage shingles are available in two distinct color palettes. Classic Heritage Colors are time-honored favorites that create a traditional look, while America's Natural Colors[®] add a contemporary flair with dramatic and vibrant hues.

Longer up-front protection underscores the strength and durability.

Heritage[®] Series Laminated Asphalt Shingles by TAMKO[®] have always provided years of striking beauty and durable roofing protection. Now TAMKO has enhanced the Limited Warranty coverage on all Heritage products with longer up-front protection, reinforcing the outstanding value they provide.

50 HERITAGE[®] Premium Shingles (formerly Heritage 50)

Symbols shown beside each color name denote product options and availability.

- 50-year Limited Warranty²
- 20-year Full Start Protection Period
- 15-year Limited Warranty against damage from winds up to 110 mph³
- Meet ASTM D 3462 at the time of manufacture

¹ Provides for cleaning of discoloration caused by certain algae growth that may occur in areas with high humidity.
² To obtain a copy of TAMKO's Limited Warranty, visit us online at tamko.com or call 1-800-641-4691.
³ Heritage Premium and Heritage shingles are warranted up to 130 mph when installed using High Wind Application.

Durable construction for excellent roofing protection.

Well-defined nailing zone helps ensure application accuracy

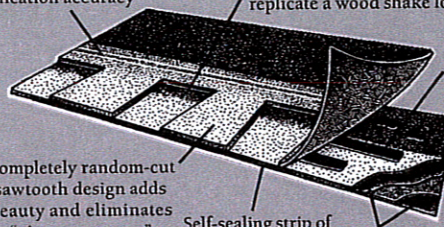

Shadowtone feature adds dimension and depth of appearance to replicate a wood shake look

Completely random-cut sawtooth design adds beauty and eliminates "zipper patterns" common with other laminated shingles

Self-sealing strip of asphalt on bottom side to improve wind resistance

TAMKO's special asphalt adhesive creates a strong laminated bond

Heavy-duty fiberglass mat provides strength and protection
Moisture-resistant weathering-grade asphalt coating provides excellent roofing protection, and greater depth and curb appeal

30 HERITAGE[®] Shingles (formerly Heritage 30)

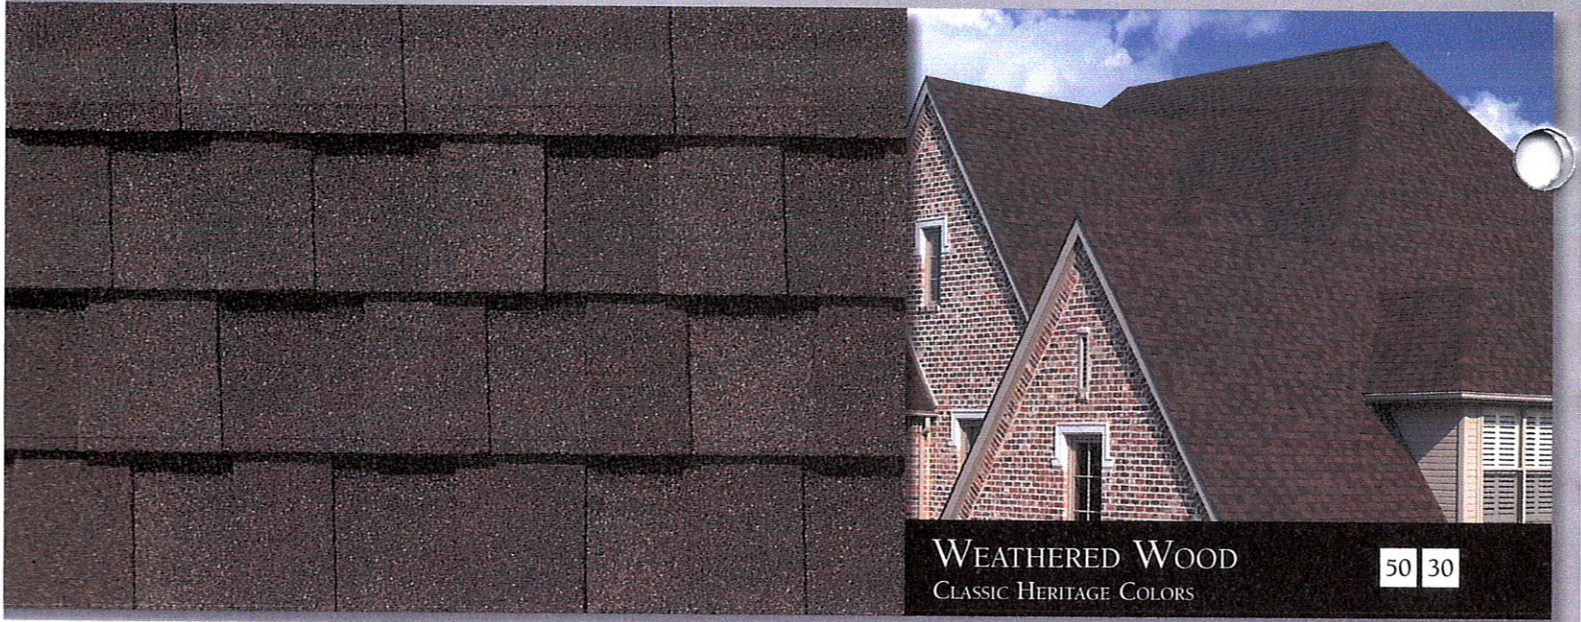

Symbols shown beside each color name denote product options and availability.
