Project: Kissinger Residence Siding Replacement

Address: 1103 12th St. Rapid City, SD 57701

The existing siding is vinyl. The existing vinyl siding will be removed. An air infiltration barrier installed. The siding will be replaced with a 7" reveal clapboard siding. The product is pre-finished LP Smartside wood hardboard siding with a pre-finished Diamond Kote finish.

No alterations to structure or windows are being made other than removal and replacement of siding.
