Ms. Bulman,

Impact7G, Inc. (Impact7G) is in the process of completing a compliance review for the existing collocation facility referenced above. AT&T Mobility proposes to modify/perform routine maintenance at this existing collocation site.

This investigation includes determining whether "the site is located in, on, or within the viewshed of a building, site, district, structure or object, significant in American history, architecture, archaeology, engineering or culture, that is listed, or eligible for listing on the State or National Register of Historic Places, or located in or on an Indian Religious Site."

Impact7G is requesting information regarding the potential effect on any historic properties within the vicinity of the proposed project location, as noted above. Additional project information is enclosed. If you wish to comment or be considered as a consulting party, please respond within thirty (30) days of the date of this letter. If a response is not received within thirty (30) days, it will be assumed that you have no objections to this undertaking.

If you have any questions or require additional information, please contact me via phone at 630-464-5950 or email at [jreis@impact7g.com](mailto:jreis@impact7g.com).

Sincerely,

Jon Reis
