

Minutes
Historic Sign Review Committee
February 24, 2012

MEMBERS PRESENT: Jim Jackson, Clancy Kingsbury, and Kyle Blada

MEMBERS ABSENT: Lee Geiger, Pat Roseland

STAFF PRESENT: Karen Bulman

Blada called the meeting to order at 8:34 am.

902 Main Street – Rosenbaum Signs for Bickett Insurance – Wall Sign

Kingsbury moved and Jackson seconded to approve the wall sign for Bickett Insurance at 902 Main Street. Blada indicated that this sign is an interior lit sign. Discussion took place on the issue of interior lit signs that have not been supported in the Downtown Historic District. In response to a question by Jackson, Bulman stated that the review of signs must follow the Secretary of Interior Standards and they should be evaluated on the age of the building and the effect the sign will have on the historic district. Blada stated that the sign would be set back from the street. Jackson indicated his concerns for setting a precedence. Kingsbury stated that the pole sign adjacent to the building, but not within the environs and subject to review, is internally lit and matches the wall sign. Blada, Kingsbury, and Jackson indicated that approving this sign should not set a precedence since it matches the pole sign and age of the building, it is set back from the street, and only a portion of the property is within the environs. It does not appear that the sign will have an adverse effect on the environs of the Individually Listed Property. **The motion to approve the wall sign for Bickett Insurance at 902 Main Street passed with Jackson abstaining.**
