1320 Mt. Rushmore Road – Joker's Casino - Pole Sign

As the applicant was not in attendance at the meeting, **Roseland moved and Kingsbury seconded to continue the application for the pole sign for Joker's Casino at 1320 Mt. Rushmore Road to the May 25, 2012 meeting.** Roseland questioned whether the sign was illuminated or digital. Upon a call to Conrad Signs, it was determined that the sign was digital. Jackson indicated that he does not object to digital signs, but does object to flashing signs and, would like to see some controls on digital signage. Roseland indicated that signage may change on Mt. Rushmore Road as the road will be reconstructed in the very near future. Jackson requested that the application be reviewed by the Building Inspection Department to consider the digital sign. **The motion to continue the application for the pole sign for Joker's Casino at 1320 Mt. Rushmore Road to the May 25, 2012 meeting passed unanimously.**
