Re: Proposed signage  
Architecture Incorporated  
815 Saint Joseph Street, Rapid City SD

Attached is our Sign Building Permit Application, photos of the existing building with the new signs projected on it, scale drawings of the new signage, a site & vicinity map of the property, and color samples of the sign colors. The proposed wall and pedestrian projecting signage will replace the existing signage of the former occupant: Schmid Insurance Co., whose signage will be removed as part of this project.

The building at this address is understood to be in the Historic District, and must be reviewed by the Historic Sign Review Committee.

Thank you, and if you have any questions, please contact me.

Sincerely,

Kristine Bjerke, AIA
