SUBJECT: House moving license for Ted Pettyjohn
DATE: June 10, 2002

Mel Dryer had requested that we add approval of a house moving license for Ted Pettyjohn to the Legal and Finance Agenda for June 12, 2002. Mr. Pettyjohn has some buildings on property owned by Mr. Dryer and Mel would like these buildings moved.

In 1997, Mr. Pettyjohn failed to pay \$465.71 to the City for work done by City crews for traffic control and moving overhead wires. We were able to recover \$200 of that amount, but the balance was never paid. I believe that prior to granting a license to Mr. Pettyjohn, the Council should insist that:

1. Mr. Pettyjohn pays the City \$265.71 plus interest for five years. New balance is \$408.83.
2. All work done by City crews to assist Mr. Pettyjohn in moving a building be paid in cash in advance.

If you have any questions, please feel free to give me a call.
