Subject: Malt Beverage Licenses Eligible for Video Lottery

Ordinance 3210, approved by the City Council in July of 1995, requires that the Council review the number of malt beverage licenses eligible for video lottery at the second meeting in July of each year.

According to the information from the 2000 Census, the City's population is 59,607. Ordinance 3210 allows one license for each 843 in population. As a result, the City is eligible for 71 licenses. As of July 1, 2002, there are currently 70 licenses issued, therefore one additional license will be available.
