

To: Council Members

From: Mayor Jerry Munson

Date: July 9, 2002

Ref: Red Cross Request for Funding

I will bring under the Mayor's Items on the Legal Finance Agenda on July 31st the request for financial assistance by the Red Cross. This was discussed at the July 1st City Council meeting but no action was taken. I believe that the Council should give some consideration to the request and make a determination of what they want to do,
