Maggie:

Trust all is fine at the City's Attorney's Office. Will you please add this item to the Council Review agenda for next week.

The Mayor and City Council are requested to approve receiving the DOJ COP hiring grant award for \$225,000. The Rapid City Police Department was notified by the Department of Justice, COPS Office, that their 2002 application for up to 75% funding for three officers for three years was approved for funding. Each officer salary is supported by federal grant dollars amounting to \$25,000 per year for three consecutive years. This City is required to agree to retain the three officers positions for at least one year after the close of the grant period.

Thank you.
