

To the City Council of
Rapid City.

I request the annexation
of Reservoir Road from
Twilight drive north to
Pitch Court.

The purpose of this annexation
is to bring Reservoir Road
up to City Standard. This
area of Reservoir Road ie both
sides of the road, have/has been
fully developed and has a high
traffic volume both of vehicles
and foot traffic. As a traffic
safety issue I request that the
city consider this situation.

Sincerely,

Jeff Slathar
