RE: Seventh Street Promenade Project

DATE: January 21, 2003

I met with Sandy Thirstrup regarding the Seventh Street Promenade Project. I suggest the following conditions for any approval:

1. The Seventh Street Promenade project will be a non-profit organization and will receive input from and approval by the Downtown Association.
2. No alcohol will be allowed.
3. The Seventh Street Promenade Committee will work with the Police Department in dealing with the Saturday night bar crowd.
4. The Seventh Street Promenade Committee will report annually to the City Council for re-approval.
