

ADDENDUM TO GIS SERVICES REQUEST

WHEREAS, the **SOUTH DAKOTA DEPARTMENT OF TRANSPORTATION**, hereafter called "SDDOT", has requested Geographic Information System data from the **GEOGRAPHIC INFORMATION SYSTEM DIVISION** created by the "Amended Joint Resolution" between the City of Rapid City and Pennington County, hereinafter called the "GIS Division", and,

WHEREAS the SDDOT has agreed to enter into a GIS Services Agreement ("Agreement") for the exchange of Geographic Information System road centerline data; and

WHEREAS, it is necessary to modify the GIS Services Agreement to allow the SDDOT to include the road centerline data provided by the City in their public domain statewide roadway network and to make the road centerline data available to the general public via the SDDOT's web site.

NOW, THEREFORE, the parties hereby agree as follows:

1. Notwithstanding any other provision of the GIS Service request form SDDOT is hereby permitted to make the road centerline data and the following attributes available to the general public via the SDDOT's web site.

Attributes of published dataset

FNODE#
TNODE#
LPOLY#
RPOLY#
LENGTH
PENNINGTON#
PENNINGTON-ID
ROADNAME
LANES
SURFACE_WIDTH
SURFACE_TYPE
SPEED_LIMIT
CURB_GUTR
SHOULDER_TYPE
SHOULDER_WIDTH
PARKING

2. SDDOT agrees that no other data may be made publicly available.

3. The parties agree that the GIS Services Agreement entered into on _____ remains in full force and effect, except as modified by this Addendum.

Executed this ____ day of _____, 2003.
