Dear Kay:

I wish to apply for appointment to the Rapid City Urban Forestry Board. Enclosed please find my completed Citizen Interest Application (taken from the City website). I have experience in horticulture, landscape design, and urban and regional planning. In the years that I worked for the City of Rapid City, I devoted a good share of my time to providing Staff assistance to the Beautification Committee. Also, during my tenure with the City I reviewed site plans and landscape plans for compliance with the City Landscape Ordinance. I also have personal interests in gardening and horticulture. For all the above reasons I believe I could contribute positively to the Urban Forestry Board and hope that you will grant me the opportunity.

Sincerely,

William Lass
