**Subject:** Accessibility In-Service in Rapid City

bio.doc (43 KB)

Rapid City, South  
Dakota.doc (...)

Shelly, It was nice talking with you regarding our accredited accessibility training. As you know I will be in Sioux Falls doing a program on residential accessibility on 7-29 and might be able to do the presentation for code enforcement professionals and design professionals in Rapid City on 7-28.

We typically receive \$700 to cover our expenses for a day-long training. I will try to work out transportation savings with our Travel Department and get back to you. We will supply all handouts and I will bring my laptop for the powerpoint presentation. Please let me know if you have access to a projection unit. If you do not I can bring mine.

I have attached a drfat agenda and my bio as you requested and will get back to you regarding travel in the next few days.

Thanks for thinking of us for your continuing education needs.

Dominic Marinelli  
Director, Advocacy  
United Spinal Association  
Eastern Paralyzed Veterans Association  
1-800-807-0191

---

*For over 57 years, United Spinal Association was known as Eastern Paralyzed Veterans Association, serving veterans with spinal cord injury or disease. As of January 2004, we are pleased to announce that the scope of our mission has broadened and will now include all individuals with spinal cord injuries or diseases.*

*As United Spinal, we will continue to serve our veteran members while striving to assist a larger community of disabled children and adults. For additional information visit our website: [www.unitedspinal.org](http://www.unitedspinal.org).*
