MEMO

TO: Legal and Finance Committee
FROM: Brad Solon, Building Official
DATE: November 4, 2004
SUBJECT: Ordinance Amendment

In August 2004 the City Council adopted the 2003 International Building Code in Title 15.

Currently portions of the Rapid City Municipal Code reference the prior building codes. In order to remove the references to the prior building codes, ordinance amendments are required to reference the current adopted 2003 International Building Code. The ordinance for references in Title 17 (Zoning) have been considered by the Planning Commission and have been forwarded to the Legal and Finance Committee for consideration. An ordinance amendment is also required to change the references to Titles 2, 5, 12 and 15 of the Rapid City Municipal Code. Those proposed changes are attached.

STAFF RECOMMENDATION: Staff recommends approval of the proposed ordinance amendment to Titles 2, 5, 12 and 15 of the Rapid City Municipal Code referencing the current adopted 2003 International Building Codes.
