Subject: PROPERTY TAX SEMINAR

Last year some of the council members expressed an interest in having a little information regarding the assessment process prior to the Equalization meetings. I am certainly willing to accommodate these wishes. I am thinking it might be better to hold small meetings in this office for those who would like to attend. I don't think everyone was interested and I don't want to have another full council meeting. I'm sure they meet enough. I would appreciate it if you would broach the subject to see what interest there is. Thank you in advance.
