Street Treats writes this request to the city council in consideration for a vending license to operate a mobile ice cream business in the city of Rapid City. Street Treats has registered our name at the county court house and is a new company wishing to sell ice cream and pre-packaged goods in and around the Rapid City area.

Our company has 1 vehicle at this time and has acquired the proper vehicle insurance policy as well as a General Liability Insurance policy of a \$1,000,000 through Agents of Insurance which covers Street Treats as well as the City of Rapid City against any accidents.

It is our stand that our company will operate this vehicle in safe manner at all times and have the proper amount of caution signage and lights to protect the safety of the people while they purchase our pre-packaged products for sale.

The owners of Street Treats have been residents in the Rapid City area for well over 30 years and wish operate a respectable business in our community. Our company agrees to follow all laws and guide lines governing this type of business and has acquired a federal Tax ID number to file proper taxes as a business member of this community.

We ask that you allow us to operate our business in this great city and Street Treats thanks all of you for your time and hope to see you on the streets selling our treats.

Sincerely,

Street Treats
