

**AGREEMENT BETWEEN THE CITY OF RAPID CITY AND HAROLD BIES FOR
THE ACQUISITION OF EASEMENTS**

This Agreement is made and entered into by and between the City of Rapid City, a municipal corporation with its principal place of business at 300 Sixth Street, Rapid City, SD 57701, herein after referred to as the "City," and Harold Bies of 23138 Radar Hill Road, Rapid City, SD 57703 herein after referred to as "Developer."

WHEREAS, the City would like to construct gravity sewer mains in certain areas of future right of way in order to provide sewer service to properties along 5th Street that are ready to be developed; and

WHEREAS, in order to construct these mains the City needs to obtain easements from the Developer; and

WHEREAS, the Developer acknowledges that he would benefit from the City constructing sewer mains across his property; and

WHEREAS, the Developer is not opposed to granting the City the necessary easements.

NOW THEREFORE, the Developer and City agree as follows:

1. The Developer agrees to donate to the City easements that will be sufficient to dedicate the necessary right of way for the future rearage road to the north of Catron Boulevard, the future Enchanted Pines Drive and the future extension of Elm Avenue which will include sewer mains and other public utilities. The easements shall be located in the approximate locations shown on Exhibit "A," which has been attached hereto and incorporated herein by this reference and which may be revised with the written consent of the parties. The properties that will be subject to these easements are legally described as follows:

Tract B of parcel C of MKJ Subdivision located in Township One North (T1N), Range Eight East (R8E) of Section Eighteen (18) and Section Nineteen (19), of the Black Hills Meridian, Rapid City, Pennington County, South Dakota.

2. In exchange for the Developer granting the easements to the City now, in lieu of waiting to dedicate the necessary land when the property is platted, the City agrees not to assess the Developer for the cost of constructing any sewers located in those easements as allowed by Chapter 9-48 of the South Dakota Codified Laws.

3. This agreement only applies to the City sewer mains that will be located in the above described easements. It does not include any other sewer mains or alter the Developer's obligation to construct the necessary infrastructure at the time that their property is developed and/or platted.

4. The parties rights and obligations under this Agreement shall be governed by, and construed in accordance with, the laws of the State of South Dakota. Any dispute concerning

H/LB

this Agreement shall be venued and litigated in the Circuit Court for the Seventh Judicial Circuit for the State of South Dakota, located in Rapid City and Pennington County.
