 Rapid City, SD 57701

Dear Sir:

Speaking for Rapid City's Central and Stevens High School Booster Clubs, I am this year's President of the Central High Booster Club and the Committee Chairperson from Central High School for Special Events at this year's 2005 Rushmore Bowl. As you are probably aware, the annual Rushmore Bowl football **extravaganza**, which pits Rapid City Central - Stevens football teams against Sturgis - Spearfish High School football teams is a huge fundraiser for both Stevens and Central High Schools. Each Booster Club receives approximately \$30,000.00 each to help fund Activities at each school. Rushmore Bowl is entirely run by **volunteers** who spend countless hours putting it all together and making it happen!

Within this, we have been blessed with items to raffle at the games. Last year we received a big screen TV, as did the other three schools, to raffle, plus other smaller items/packages, donated by persons/businesses in the area.

According to State Law, I am asking for Acknowledgment Of, and Permission to Conduct, raffles in cooperation with the Central/Stevens 2005 Rushmore Bowl, held Saturday, September 10, 2005 at O'Hara Field, SDSM&T. Most will be conducted during the games, but if we should obtain a big-ticket item such as last year's big screen TV, we will string it out longer.

Thanking you in advance,

Mary L. Masten
 President, Central High School Booster Club
 Chairperson, Special Events, Rushmore Bowl 2005
