## MEMORANDUM . . .

TO: City Council  
FROM: City Finance  
RE: Video Lottery Licenses

\*\*\*\*\*

Ordinance No. 3210, adopted July, 1995 requires the City Council to review the number of Retail (On-Off Sale) Malt Beverage Licenses eligible for video lottery.

Below is an excerpt from the Rapid City Municipal Code, Chapter 5 relating to Business Regulations and Licenses

### **5.64.020 Number of video lottery machine placements authorized.**

Not more than one authorization for a video lottery machine placement as provided in SDCL 42-7A-64 will be granted for each eight hundred forty-three of population of the city as determined each January first, by the city planning department. No establishment authorized for a video lottery machine placement may be denied authorization in subsequent years solely by reason of any limitations of the number of authorizations under the provisions of this section. The quotas established in this section do not apply to other licenses issued pursuant to SDCL 35-4-2. (Ord. 3210, 1995)

The Community Planning Division of the Growth Management Department reports Rapid City's population as of January 1, 2003 is 62,552. Chapter 5.64.020 of the Municipal Code allows one video lottery license for each 843 in population. Based on the population estimate, Rapid City is eligible for seventy-four (74) video lottery licenses. As of July 1, 2005, Rapid City issued seventy (70) Retail (On-Off Sale) Malt Beverage Licenses that are eligible for video lottery. Four (4) video lottery licenses remain available.
