Re: Malt Beverage License with Video Lottery

We would like to petition the Legal and Finance Committee

To allow us to apply for two (2) On-Off Sale Malt Beverage

License with Video Lottery. We purchased General Commercial

Property and plan on tearing down two (2) existing duplexes,

Which are eye sores, and replace with a Retail Plaza on

7th and Indiana St..

I also have another location at St. Patrick and Creek Dr., that

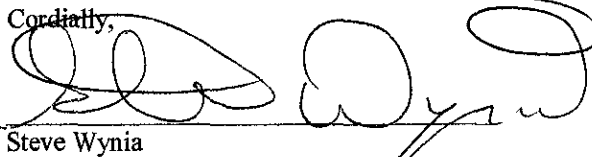

I would like a malt beverage license with video lottery.

We have had Video Lottery Casinos in Rapid City for

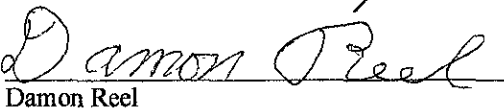

Twelve (12) years. We have always been good neighbors.

Please feel free to contact us with any questions.
