Per our conversation this morning, this letter confirms our Altrusa Club's intention to conduct a raffle. The purpose of the raffle is to generate funds by selling 500 tickets. All proceeds will be donated to several local non-profit organizations. Our drawing is scheduled for June 30, 2006.

Altrusa is a non-profit organization and our focus is literacy and education. Funds donated to local non-profit organizations are tagged for such purposes. Examples of our contributions are donations of bookcases and educational reference materials for new Habitat homes and purchases of children's books for Hospice of the Black Hills (grief issues). We also provide a children's reading area for WAVI and send several girls to American Legion's Girls State. All Altrusa Club administrative costs are paid by member dues. Our financial books are audited yearly and 100% of funds generated by this and other fundraisers are donated to the local community.

Included is an informational flyer that may be of interest to you. For additional information, contact me at 605/394-0120.

Thank you,
