Dear City Attorney,

I am writing to request approval to operate an ice-cream vending truck under the name of United Popsicle Service within the city limits of Rapid City during the year 2006. I have obtained the necessary insurance for this business and have also obtained the appropriate business license and sales tax identification number from the South Dakota Department of Revenue & Regulation (No. 48-001-000162920T-ST-001).

I understand that this request has to be approved by the City Council and request that you present this to the council for their approval.

Please contact me with any questions at either, home: 787-4617 or cell: 391-4735. Your letter of approval or other documentation can be mailed to my home address attention:

Thank you for your assistance.

Sincerely,

Kyle Nettleton
