City Attorney:

I am writing this letter on behalf of VINO100/Tinderbox in Rapid City SD, whose legal business name is Orris Enterprises, Inc. a South Dakota Corporation.

This letter is to request from the Mayor of Rapid City and the City Attorney's Office, permission to place several small bistro type tables and chairs on the city right of way (hereafter called "sidewalk") in front of 520 7th Street. These tables will be placed in close proximity to the said storefront and will not be placed in a manner to obstruct pedestrian traffic traveling along the east sidewalk of 7th Street. It is our hope to help improve commerce on 7th Street between Main Street and St. Joseph Street while not interfering with thoroughfare.

Tables to be placed will be of high quality and will benefit the aesthetics of the 500 block of 7th Street.

Thank you for your consideration in this matter.

Respectfully submitted,

Erich D. Orris
CEO/President
