I, Kathryn Wagner Douglas, owner and operator of K&M Creams, am submitting for approval a request for a 2007 mobile concession vending licence to operate a mobile vending truck with the intent to sell prepackaged novelty ice cream, canned/bottled non alcoholic beverages, candy and other prepackaged snacks. I fully understand that I will be required to show proof of insurance before I can obtain this license.

I have obtained my South Dakota Sales Tax license for the business and it is as follows, #53-001-000152043T-ST-001, issued to me on 14 September 2004

I ask that that the city grant my request for my mobile vending license, contingent upon me providing proof of insurance. I hope that I have given you all the information that you will need to grant my request and if I have left out any information that will be needed to approve this license I will be more than happy to supply you with it upon request.

Thank you for your time,
Kathryn Wagner Douglas
