To Whom It May Concern:

I am writing this letter to confirm that the Medical Radiography Program is aware of the application for permission to conduct a raffle.

The class of 2006-2008 of the Medical Radiography Program would like to hold a raffle to help earn funding for a trip to Durban, South Africa, in April of 2008. The students' goal is to attend the 2008 World Congress of the International Society of Radiographers & Radiological Technologists.

The students will be responsible earning all funding for this trip.

Please contact me if you need further documentation or information.

Sincerely,

Jerilyn Powell, Director
