Parks and Recreation Memo

Date: 4-24-07

To: City Council Members

From: Doug Lowe, Recreation Division Manager

Subject: College Student Pass Requirements

Summary: Golf Division would like to establish an amendment to resolve the requirements to establish a college student pass.

Recommendation: Recreation Division is proposing that the college student pass requirements of “23 years of age with valid college identification” be changed to “any aged student who can produce documentation to indicate full time college status (12 credit hours in semester in which pass is purchased)”

Analysis/Background: The resolution determining the college student requirement was passed on November of 2006. After noticing a lot of students becoming non traditional full time students, (by phone calls and emails from the public) we feel that these requirements need to be addressed.
