

ORDINANCE NO. 5347

AN ORDINANCE TO INCLUDE PROVISIONS REGULATING THE LAYING OF WATER SERVICE LINES AND SEWER SERVICE LINES WITHIN THE CITY'S STANDARD SPECIFICATIONS BY AMENDING SECTIONS 13.04.340 AND 13.08.130 OF THE RAPID CITY MUNICIPAL CODE.

WHEREAS, the City of Rapid City currently has ordinances in place pertaining to the location for water and sewer service lines; and

WHEREAS, the Rapid City Common Council has determined that it is in the best interest of the City of Rapid City to allow some discretion in the location of water and sewer service lines due to unique development issues in the Rapid City area; and

WHEREAS, the City of Rapid City has determined that the City's standard specifications should include provisions pertaining to the laying of water and sewer service lines.

NOW, THEREFORE, BE IT ORDAINED by the City of Rapid City that Section 13.04.340 of the Rapid City Municipal Code is hereby amended to read as follows:

13.04.340 Placement in relation to street.

~~All water service lines, including private lines, must run at right angles to the street.~~

The location of water service lines shall be in accordance with the City's standard specifications.

BE IT FURTHER ORDAINED by the City of Rapid City that Section 13.08.130 of the Rapid City Municipal Code is hereby amended to read as follows:

13.08.130 Building sewer required for each lot.

~~A separate and independent building sewer shall be provided for each lot except that joint use of building sewers may be permitted at the discretion of the Director for developments (such as condominiums) where provisions have been made for joint maintenance by all owners served.~~
The location of sewer service lines shall be in conformance with the City's standard specifications.
