Jerry-

My term on the Parks and Recreation Board is up December 31, 2007. I would be truly honored if I could be reappointed to the board for the next term. Of all the boards that I have ever served on in the past, I can honestly say, that I have never enjoyed any as much as I enjoyed serving on this one. This board has a real purpose and commitment to the community and I would really like to be involved with it into the future. I am hereby asking that I be considered for another term on the Rapid City Parks and Recreation Board. Thank you for your consideration.

Charles V Tinant
