RE: 08TP025 - Authorization to seek Request for Proposals for the preparation of the Chapel Valley Access, Traffic Analysis and Route Alignment Study

Attached is the Request for Proposals (RFP) for the preparation of the Chapel Valley Access, Traffic Analysis and Route Alignment Study. The purpose of the study is twofold: (1) to develop alternative alignments for the alternate means of access for the Chapel Valley area, and, (2) to determine the feasibility of providing an alternate access for the Chapel Valley area. An alternative means of access to the Chapel Valley area is needed due to public safety concerns.

EXECUTIVE POLICY COMMITTEE RECOMMENDATION: The Executive Policy Committee of the Rapid City Area Metropolitan Planning Organization recommends approval of the Request for Proposal for the Chapel Valley Access, Traffic Analysis and Route Alignment Study and to authorize staff to advertise the Request for Proposals.
