Dear Mr. Green,

Western Resources for dis-Abled Independence, a local private non-profit 501 © (3) organization, is in the process of organizing a fall raffle as a fund-raiser.

For over 20 years, we have offered hope and empowerment to individuals with disabilities and enabled hundreds of individuals to live independently. Services are provided to individuals of all ages with a diversity of disabilities. I have enclosed a brochure for your review.

Programs such as the Home Modification and Adaptive Devices (i.e. ramps, wheel-in showers) or the Telecommunication Adaptive Devices (i.e. emergency phones, cordless phones) enables individuals with disabilities to remain independent, safe, socially engaged and productive within the community of their choice.

In addition to the above services, Western Resources for dis-Abled Independence offers a number of other services, generally depending on the specific needs of individuals with disabilities, funding and the lack of availability of services elsewhere in the community.

The raffle will consist of the following prizes:

1st Place – 49.5 cc Scooter (\$1,399 value)

2nd Prize - \$500 Cash

3rd Prize – Five Water Park Passes at Watiki Water Park (Value \$100.00)

4th Prize – Black Hills Gold Key Chain (Value \$91.00)

Tickets will be sold at \$5.00 each. The drawing will be held December 15, 2008.

If you have any questions, please do not hesitate to contact me at 605-718-1930 or char@wrdi.org. We look forward to hearing from you regarding the approval of our raffle. Thank you for your consideration.

With grateful appreciation,

Char Crisp
Development Director
