Subject: Purchase of Aerial Lift Truck

Date: August 4, 2010

The existing aerial lift truck used by the Parks Division needs to be replaced. This vehicle is 32 years old and requires a tremendous amount of maintenance. It was originally purchased for the Traffic Division and subsequently acquired by the Parks Division. There are also safety concerns with the truck.

We request that the City Council authorize staff to advertise for bids for an Aerial Lift Truck to be used by the Rapid City Parks Division.
