MEMORANDUM

TO: CIP Committee, Mayor Hanks, City Council

FROM: Dale Tech PE/LS, City Engineer 

SUBJECT: South Valley Drive Extension Funding

DATE: April 15, 2011

Attached is a location map for the extension of South Valley Drive to Elk Vale Road. The extension is proposed to be a two lane paved access utilizing open ditches rather than curb and gutter. The underlying property owners have agreed to grant easements or right of way for the road extension. Total costs for the proposed extension is \$180,000.

I recommend funding this project utilizing Street, Drainage and MIP contingency in the amount of \$180,000. The current contingency balance is \$182,800.
