CONDITION: New

YEAR: 2010

SIZES: ~~86"~~^{63"} LENGTH plus 40" towing bar x ~~54"~~^{52"} WIDTH x 61" HEIGHT

WEIGHT: 397 lbs.

HEATING SOURCE

The steam table runs on propane. There are two propane tanks stored neatly directly under the bread box/storage. It holds two twenty-pound tanks, so you will not run out in the middle of the day. Tanks are not included.

TRAILER

The cart rests on a D.O.T. approved heavy duty trailer (title available) with baked enamel finish. The leaf spring suspension system allows you to tow it safely at freeway speeds. The tires size is 4.8" x 8" standard.

TOW BAR

The tow bar hitch is removable for safety and access to move around the cart and is equipped with a 1 7/8" ball coupler with two safety chains.

LIGHTS

The cart has tail, stop, signal and hazard lights. The wiring harness for the lights is male, and it comes with a license plate holder. Standard 4 wire.

WHEEL LEVELING JACK

Leveling post is standard, this allows you to remove the tongue and level cart.

STOW-CASE

The stow-case has two levels and is sealed (so you don't need to remove anything in case of rain). The upper and lower levels, allow for easy storage of buns (up to 30 Bags of 12 count) and/or your extra utensils, foil, supplies..etc...

STOW-CASE 2 (new item)

Stow case two is located under the bread box and houses your lp gas tanks and allows for additional storage of your supplies.

STEAM TABLE

The steam table can accommodate various size pots with lids. You can use the steamer for hot dogs, buns, chili, cheese and sauerkraut. Comes standard with large steam table which includes 2 half size perforated pans, a full size spillage pan and a 1/2 and 1/3 size direct heat pans and lids.

SINKS

The cart comes with 4 stainless steel sinks with hot and cold water, a 5 gallon clear water tank and a 7 gallon tank for disposed water.

UMBRELLA

The 9 ft. market umbrella comes in red or you can go with a different color for \$29 extra (your choice). The umbrella holder is in the center of the cart, which gives you perfect shade. There is no need to clean this umbrella and it is much cheaper and faster to replace.

Grill

Grill is now available and comes with it's own separate regulator and hose hook ups.

CONDIMENT TABLE

You will love this super functional condiment table. It allows your customers to fix their own dogs while you serve dogs from the front. Saves you time and headaches. Plus, we have added a hidden ice tray under the condiment table so that your recessed stainless steel pans sit on a bed of ice. Condiment Pans and lids are included.

BEVERAGE COOLER

The beverage bin has its own drain and is insulated to maximize the life of the ice. It holds 84 to 98 cans. The lid is hinged and easily reachable for the customers to help themselves and for you to refill it. Personally I don't use mine for drinks, I store my extra dogs and condiments here. You will always need a large cooler for drinks, my freestanding cooler holds 300 drinks.

Pressurized Water System (FREE NEW ITEM)

Now you can have **pressurized water, this gives you more storage space in bread box and allows for more even water flow.**

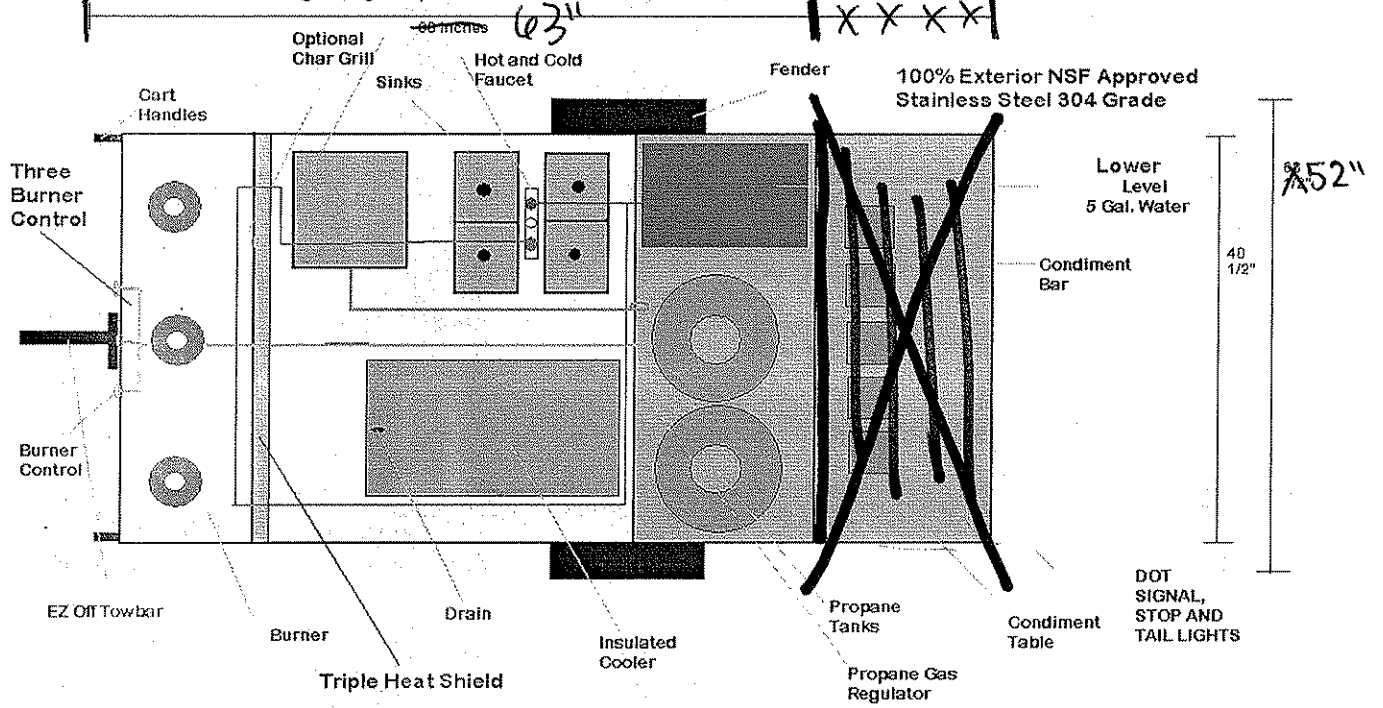

Ice Cold Condiments (INCLUDED NEW ITEM)

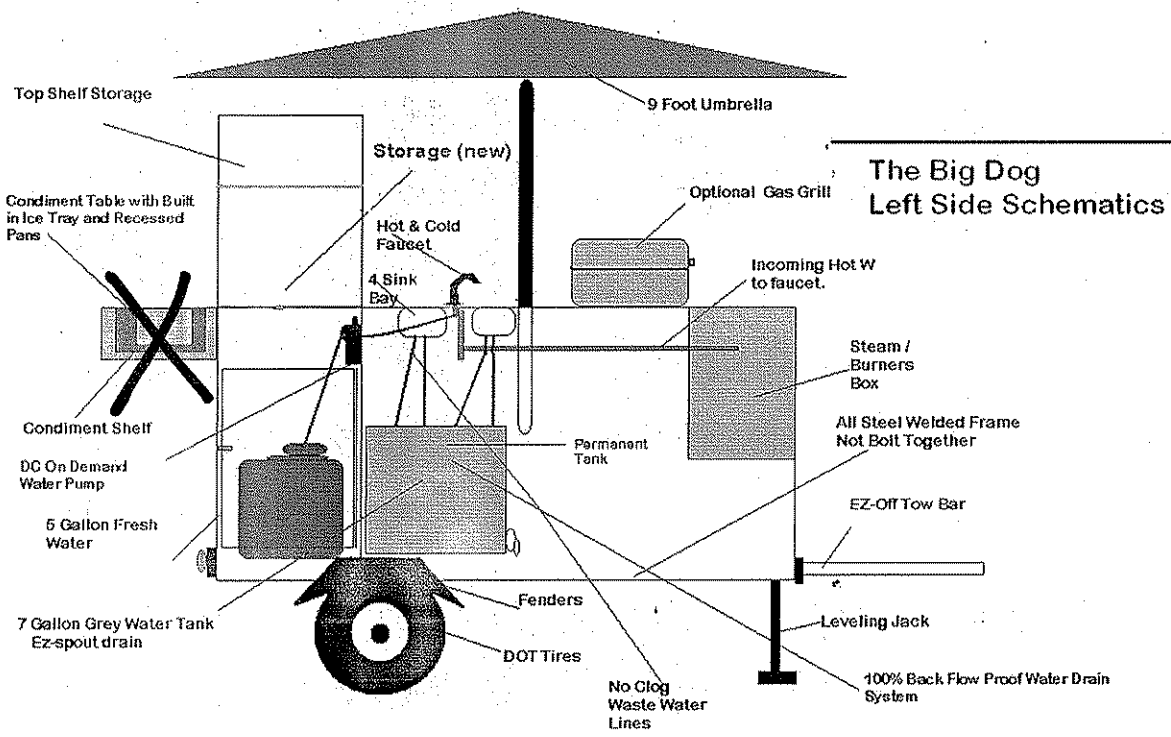

This will allow you to keep all condiment pans in a bed of ice hidden under condiment table. Includes inserts and pans and lids.

OUR CARTS HAVE BEEN APPROVED IN ALL STATES EXCEPT CALIFORNIA.

***We ask that you always get pre-approval on your cart from your local health department.
