SUBJ: Downtown BID Assessment Abatement
DATE: August 15, 2011

Black Hills Power has requested the City Council abate their 2011 BID assessment. This property is centrally assessed and, therefore, is exempt from the BID assessment. The property is located at 914 Kansas City St. and the total dollar amount of the assessment is \$52.00.

The only way these amounts can be changes is through a court order or Council action.
