MEMORANDUM

DATE: January 11, 2012

TO: Legal and Finance Committee
City Council

FROM: Keith L'Esperance 

SUBJECT: Bleacher Rental Agreement

The Philip Arena Association has reserved 5 bleacher units for June 14-18, 2012, for their rodeo and fund raiser. They will be transporting the bleachers themselves as did the City of Isabel in 2011. According to the attached bleacher agreement, permission is required of the City Council for these units to be transported outside the city limits. Since they are transporting the units themselves, any additional per mile fee is not applicable. The additional fee is applicable when the units are transported by city personnel.

This agreement is submitted with recommendation to approve. Payment for rentals and deposits will come from the Association when closer to the event dates.

**TRAILER MOUNTED HYDRAULIC MOBILE BLEACHER
SYSTEM APPLICATION AND AGREEMENT**

APPLICATION FEES ARE NON-REFUNDABLE

The City of Rapid City has available eight 234 seat capacity mobile bleacher units for lease within city limits to governmental entities and non-profit organizations. The City will transport, setup, and takedown the leased units. Priority will be given first to the City of Rapid City, next to the Rapid City School District, and then will be on a first come first serve basis based on the date the application is received by the City. The City must receive the application, agreement, certificate of insurance, deposit and payment at least 30 days prior to the event, but not more than 365 days prior to the event.

The area in which the bleacher units will be setup must be smooth and level and the ground must be dense enough to support the 9400 pound units. An open area approximately 22 feet deep and longer than the 39 foot bleacher units must be available to allow for pedestrian traffic. Additionally, approximately 15 feet of open area is needed to the side of the trailer, and at least 16 feet of overhead clearance is needed. Also, the area above the bleachers must be free from electric power lines or other obstructions that might cause a problem or be hazardous. The City reserves the right to decline an application due to the site not meeting the above-described conditions or due to any other reason that makes the transport, setup, use, or takedown unsafe including but not limited to weather conditions.

A \$150.00 setup/takedown fee per unit will apply. A \$50.00 extended use fee will apply per unit per day for use over five days. In the event that special permission is granted by the Rapid City Common Council for use of the bleachers outside the city limits, an additional fee (non-refundable) based per mile will apply. Additionally, a \$500.00 cash or money order damage deposit per unit must be received by the City before delivery of the bleachers. The above-described fees and deposit are not applicable to the City of Rapid City or the Rapid City School District.
