Timberline Little League would like approval to hold a raffle for our yearly fundraising event. The ages of boys/girls participating in the baseball league range from 5-12 years of age. Funds raised from this raffle event will help acquire necessary equipment, maintain grounds at the fields where games are held, and other league expenses. The raffle will take place during the opening ceremonies at the Timberline Little League Fields.

We would like to begin selling raffle tickets April 15, 2012. Timberline Little League appreciates and thanks you for your on-going support. Please feel free to call me at home (605) 787-6302 or cell (605) 390-6131 with any questions or concerns.
