

Second Alarm Car Club

City Council,

Second Alarm Car Club would like to request permission to hold a raffle between June 1st 2012 and August 31st 2012. Proceeds from the raffle would go to the purchase of Rapid Cities 1929 American LaFrance Ladder Truck that was donated to a local museum in the early 1960s. Currently the Engine resides in Bay City Michigan and is scheduled to be transported to Rapid City this summer (2012).

Second Alarm Car Club came to fruition approx 5 years ago when several Rapid City Fire Fighters liked cars and wanted an excuse to get together and socialize over cars. Since then, the Car Club has helped raise monies for several children in our community, MDA (kid to camp) and several other supportive roles with in our community.

It is the intention of Second Alarm Car Club to display this historic piece of apparatus in a Museum like setting for all of Rapid City to enjoy. Please help us in bringing this piece of history back to Rapid City.

Nick Carlson
