RE: Report on Retail (on-off sale) Malt Beverage Licenses eligible for Video Lottery

DATE: July 16, 2012

Ordinance No. 3210, adopted in July of 1995 requires the City Council to review the number of Retail (on-off sale) Malt Beverage Licenses eligible for video lottery.

Below is an excerpt from the Rapid City Municipal Code, Chapter 5 relating to Business Regulations and Licenses

5.64.020 Number of video lottery machine placements authorized.

Not more than one authorization for a video lottery machine placement as provided in SDCL 42-7A-64 will be granted for each eight hundred forty-three of population of the city as determined each January first, by the City Planning Department. No establishment authorized for a video lottery machine placement may be denied authorization in subsequent years solely by reason of any limitations of the number of authorizations under the provisions of this section. The quotas established in this section do not apply to other licenses issued pursuant to SDCL 35-4-2. (Ord. 3210, 1995)

The Community Planning and Development Services Department reports Rapid City's population estimate as of January 1, 2012 at 67,956. Chapter 5.64.020 of the Municipal Code allows one video lottery license for each eight hundred forty-three (843) in population. Based on the population estimate, Rapid City is eligible for eighty (80) video lottery licenses. As of July 1, 2012, there are sixty-nine (69) Retail (on-off sale) Malt Beverage Licenses that are eligible for video lottery. Eleven (11) video lottery licenses remain available.

RESOLUTION FOR VIDEO LOTTERY DESIGNATION

WHEREAS the City of Rapid City has adopted a population limit on the number of video lottery designated alcohol licenses; and

WHEREAS the City of Rapid City needs a fair method for determining eligibility for those additional video lottery designations as the population increases;

NOW, THEREFORE, BE IT RESOLVED by the Common Council for the City of Rapid City that the below set forth rules will be used to determine how the application process for new video lottery designations within the City of Rapid City shall be administered:

Application requirements:

- 1) \$250 non-refundable application fee paid at time of application
- 2) Application on forms provided by City Finance Office
- 3) Applicant must be 21 years of age
- 4) Only one (1) application allowed for each potential video lottery location
- 5) Application submittal required before application deadline

Drawing Dates:

Each year hereafter the City Finance Officer will announce at the 2nd Council meeting in July whether the population increases, as compared to the number lottery licenses issued, mandates a drawing on the right to apply for a video lottery designation.

If the population increases compared to number of video lottery licenses issued warrants a drawing, the Finance Officer will announce:

- 1) Number of new video lottery designations available
- 2) Time of Drawing: to be held at the 1st Council meeting in September
- 3) Application location and deadline

The Finance Officer will also have published at least fifteen (15) days prior to the date of the drawing in the City's legal newspaper a notice of the video lottery designation drawing, including; the number of video lottery designations available at the drawing; the time, date and location of the drawing; the location for obtaining application forms; and, application submittal deadlines.

Video lottery designation use requirements:

- 1) If applicant is winner of drawing for right to apply for video lottery designation, applicant must obtain the appropriate alcohol license and video lottery license for the location described on the winning application form by June 30th of the following year, or this right to apply for video lottery designation will be forfeited.

Adopted this 4th day of December,
1995.
