Dear Mr. Sehr,

Thank you for your comments and request for reconsideration of a funding allocation for North Point Childcare Center from the FY 2013 Community Development Block Grant Funds (CDBG). Due to the timing of the closure of the public comment period, I will not be able to provide you with a decision within the 15 day response time that we normally adhere to. However, you will definitely have the opportunity to speak to your request prior to Council making a final decision on the funding allocations.

City Council will take your request under consideration at the Legal and Finance meeting on February 27, 2013 and Council will make a decision at the City Council meeting on March 4, 2013. The final approval of the Annual Action Plan would be at the March 18, 2013 City Council meeting.

I encourage you to be present to speak to your request and answer any questions they may have at the February 27, 2013 and March 4, 2013 meetings. You may also contact Council members prior to the meetings to discuss your needs and how you would use the funding.

If you have any questions, please feel free to contact me.

Sincerely,

Barbara Garcia
