Budget

This section provides an estimated cost to provide the Proposed Scope of Services outlined in Section 1. In accordance with the RFP, a breakdown of effort by sub-consultant is provided. As noted in our Proposed Scope of Services, we have proposed an Optional Community Survey component (Task 2.6). This Optional Task is reflected in the Estimated Cost Total below. Should the City choose not to initiate this task (or choose to conduct strictly an online survey, the Estimated Cost Total would be reduced by up to \$19,065.
