Dear Maggie Paul,

The Pennington County Republican Women's group once again respectfully requesting approval to sell raffle tickets during the months of August, September and October prior to and at our monthly luncheons held at Arrowhead Country Club. The items have been donated to assist in raising money. Money raised will be used for election contributions and contributions to charity organizations.

The item that will be raffled off will be a hand-made quilt. If additional information is required for approval at the city council meeting please contact me or Marguerite McPhillips at the above number.

Sincerely,

Annette Brant
