Subject: Headstones at Mt. View Cemetery

Date: August 20, 2014

Doug Lowe,
Recreation Manager

Staff has been working to identify headstones in Mt. View Cemetery that are in need of realignment. Some are leaning precariously and could pose safety issues for staff or visitors to the Cemetery.

We are requesting \$25,000 be transferred from the 2014 Council Contingency Fund to the Cemetery Enterprise Fund, Professional Services Line Item, to be used specifically for headstone re-alignment. This funding will allow city staff to begin the process of resetting the monuments that are in greatest need.
